

To prevent the spread of COVID at our school, GALS is on distance learning for two weeks beginning August 30th. We plan to return to our new building on September 14th, 2021. September 3rd and September 10th will be asynchronous learning days and further instruction will be provided closer to this date. Call 702-672-6386 with any questions.

Click on the teachers name in blue to connect to your teacher's virtual classroom.
