GALS Garden Memorial Project

GALS is building a school garden to provide our students with a hands-on opportunity to grow and try fresh vegetables and learn about plant science. To be a part of this project, GALS is providing donors who make a \$100 donation with a personalized engraved stone that will be used to build the wall of our garden. These stones are a great way to memorialize students, family, and friends. Each stone is 4 x 12 inches and will allow for a message that is up to 20 characters in length (this character count includes spaces). If you are interested in purchasing an engraved stone with a personalized message, complete the form below and email it to info@galslv.org. Payments can be made through our charity Paypal account which can be found at the following link: bit.ly/GALSPayPal or you may scan the following QR code:

Please ensure that all spelling is correct before submitting the form. Payments are **nonrefundable**. The GALS team greatly appreciates your generosity. If you have any questions or concerns, do not hesitate to contact us at (702) 672-6386 or email us at info@galslv.org

Examples

The images above do not reflect an exact depiction of our stones, and are provided for example purposes only
